IN PATRIOTIC LECTURE. Here Sunday Evening at St. Patrick's Church Under K. of C. Auspices.

Rev. John H. Broderick, pastor of St. Patrick's church, has arranged for a patriotic lecture in the basement of the church on Sunday evening, Feb-It is alleged that the defendant | ruary 22, at 7.30. The lecture will be given under the auspices of White Cross council, No. 13, K. of C., one of the cardinal principles of the order bein the fostering of a spirit of patriotism amongst its members and in the community at large. The fact that Washington's birthday comes on Sunday this year makes the opportunity favorable for the project.

Tavorable for the project.

The lecturer will be Rev. W. A. Keefe of Plainfield, state lecturer of the Knights of Columbus. Father Keefe is a thorough student of American history, and although an eloquent speaker on any subject which engages his attention, yet he is at his best when delivering an address on American history. He was one of the princan mistory. He was one of the prin-cipal speakers at the Sons of Veterans' banquet in Bridgeport on Lincoln's day, Feb. 12th, and has also given an address to the local camp of the Sons of Veterans—at a banquet about a year ago.

Invitations have been extended to all the Catholic societies of the town to attend, and it is expected that a great many non-Catholics will be present. as the subject is one that will interest all citizens who love America and its institutions. The basement of Ct. Patrick's church has a seating capacity greater than any hall in the city, and it is expected that it will be filled to capacity Sunday evening.
